

**Remarks**

Applicant respectfully thanks the Office for the indication that claims 1-3, 15, 18, 21, 25, 28, and 29 are allowed. The Office rejected claims 4, 7, 10, 26, and 27. Applicant has herein cancelled all rejected claims, claims 4, 7, 10, 26, and 27.

Applicant's first response to the Final Office Action in this case was not entered according to the Advisory Action dated July 25, 2007, due to a typographical error in the previous Response after Final which prevented the Office from entering that amendment and passing the case to allowance. Applicant is submitting this second, amended Response after Final to correct that error. Particularly, there was a typographical error in the printing of claim 3 in the previous response in which the words "has the second through" were erroneously underlined. In this amendment, claim 3 is printed correctly.

In view of the foregoing amendments and remarks, this application is now in condition for allowance. Applicant respectfully requests the Examiner to issue a Notice of Allowance at the earliest possible date. The Examiner is invited to contact Applicant's undersigned counsel by telephone call in order to further the prosecution of this case in any way.

Respectfully submitted,

Dated: August 23, 2007
